# Setting new standards for the model railroad world

Winter 2008

## HO BLACKENED BRASS WHEELSETS

33" & 36" diameter, narrow wheel width (0.088"), but still run fine on NMRA standard track, available in multiple axle lengths to retrofit any freight or passenger car truck. Perfect appearance, perfect rolling qualities, perfect coupler centering & perfect cleanliness.

**Each standard wheelset pack contains 12 axles. All items on this page (except as noted) are \$10.00 each.**

*Old part #WS1 is now 33-1*
